In these courses, students use technology for educational purposes only. **No student will be allowed to play computer games, watch videos, or aimlessly search the Internet.** Students will experience HTML, CSS, image-editing, online collaboration and content management systems. Students will develop necessary skills and obtain hands-on experiences working with a variety of media tools to build professionally designed products.

For your student's first major grade, please fill out the form via the QR Code on the left or at <http://techappswarrior.com/parentform.html> and sign below. Paper copies of the form and policies are available upon request. If you have any questions, please do not hesitate to contact me at rwillia9@aisd.net.
