All students are expected to be...

Ready

for class and instruction

Respectful

to themselves, their peers, teacher and AISD equipment

Responsible

for their own learning and behavior

GRADING

Each grading period will include warm-up/exit activities (vocabulary, forums, polls, etc), minor assignments, major projects, and a variety of assessments.

Students are expected to contribute to online activities posted by the teacher.

It is important that students have the ability to follow detailed instructions. Most projects have specific criteria and will be graded as such.

Each student will be able to see their grades on a daily basis within our online classroom. Extra credit will be available at given times throughout the year. It is up to the student to take advantage of them.

MAKE-UP and REDO WORK

Most minor assignments can be resubmitted for a better grade within a timeline set by the teacher. There is no penalty for resubmitting work in most cases. It is always the student's responsibility to make up or redo assignments. **Participation and assessment grades cannot be redone or submitted late.**

STUDENT ID

For school safety it is important that everyone wear identification while school is in session. No student will be allowed to remain in class without an ID. IDs are checked immediately after the bell. Students without an ID at time

of check will be automatically tardy.

TARDIES

It is imperative to be on time. After the tardy bell rings, students will not be allowed to enter the classroom without a pass.
